Thanks Carolyn. Yes, we will split the conference calls (10 and 1 pacific time) for the rest of the year as of now. I will check with Don on the July meeting question - one full day versus splitting into two days. Thanks.

Cathy

Cathy

Dates ok with me so far. For the June call are we planning to split the am and pm call as before? The July meeting to be all day or do you want to split across 2 days as before?

I think it is ambitious though to expect us to have approved travel budgets anytime before the November general election...

**Subject:** Williams BCT Meetings rescheduling a couple dates

Please see below for some proposed changes to our BCT calls/meetings.

June/July

We discussed moving the onsite meeting from June to July as the ST12 groundwater results are expected to be in at that time.

Proposed dates are conference calls on June 22 instead of a meeting, and move the onsite meeting to Wed. July 20th. The current July call on Thur. July 21 would be cancelled.

September/October

We have a BRAC weeklong meeting in San Antonio the week of Sept. 19th so we will need to reschedule our RAB and BCT meeting set for Sept 20th. The proposed date for the

onsite meeting and RAB is Tuesday, Oct. 18th. We are avoiding early October as federal travel is difficult right after the change in the fiscal year.

The proposed date for the September BCT calls is Thursday, Sept. 15th.

If there are conflicts with these dates, please let me know what other weeks/days are available.

Thank you.

Cathy
